PROFILE

I am currently seeking fixed-term employment in an ambitious, forward-thinking organisation. I am a beginner front-end developer full of willing to work hard and gain some professional experience as well as develop my skills and manage given tasks properly. Furthermore, ready to work to tight deadlines and am capable under pressure.

EMPLOYMENT HISTORY

2016 - 2019 **IT Technician , Family business, Tashkent**

Used to maintain company's systems (Point of sale, WiFi, PCs, printers, laptops, smartphones, CCTV system, audio system). Tested new hardware and software before full-scale installation, regularly maintained and updated technical documentation. Developed an e-commerce website to promote the business.

2019 - 2020 **IT Manager, Valentino lounge, London**
Started with setting up a POS system(IZettle), CCTV, and audio system for a venue. However, became an IT Manager who was in charge of diagnosing, testing, and troubleshooting software and hardware issues, managing IT budgets, forecast, handling cash flow, and enforcing cost-effectiveness.

2021 - 2022 **IT Technician , Heritage Restaurant and Bar, London**
Supporting people whenever they encounter challenges with computers and network devices, serving as the first point of contact for IT support within the organization.

EDUCATION

2015 - 2018 **Diploma of Higher Education (DipHE), College of Law, Tashkent**

2019 - 2022 **Bachelor's degree in computer science, University of Ulster, London**
